

REMARKS

Claims 1-2, 4, 6-20, and 22-23 are pending in this application. Claim 3 was previously cancelled. Claims 5, 21, and 24-26 are cancelled herein. Claim 1 is the only claim in independent form and all remaining claims depend from claim 1. Claim 5 was previously indicated to be allowed in the Office Action. Applicant has amended claim 1 to include all of the limitations of claim 5 such that dependent embodiments can now be included in the application as allowed. In addition, since claim 5 only previously set forth limits for one of the two embodiments, namely where the left side section was above the right side section, applicant has agreed to amend claim 1 such that similar limitations are also prescribed for the second embodiment where the right side section is positioned above the left side section. No new matter has been entered. Claim 1, as amended, is fully supported by Figs. 4 and 6.

Applicant wishes to thank Examiner Nyugen for his assistance in bringing this case to allowance.

In view of the above amendments and remarks, applicants respectfully request that the Examiner allow the pending claims. The Examiner is respectfully requested to call the undersigned attorney if a telephone call could help to resolve any remaining issues.

No fees are believed to be required with the submission of this response. Should any fees be required, the Commissioner is authorized to charge such fees to deposit account No. 50-1432.

Respectfully submitted,

Lorri W. Cooper
